

Utah 2025 Impact Report

Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

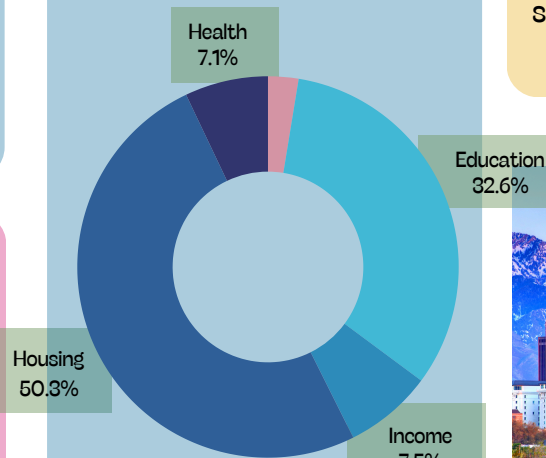

Local people. Local decisions. Local communities.

2025 Impacts

- Empowered **110,334** unduplicated Individuals
- Impacted **46,464** families
- **52,684** Positive changes towards greater self reliance.
- **926** Partnerships that deliver support like Landlord Tenant Mediation, Financial Counseling, Diaper Distribution, and so much more!!

2025 Positive Outcomes

Because the network is results-oriented, it measures success by outcomes, not outputs. Here are a few areas we saw positive outcomes for those accessing our support.

Building Communities

Our agencies facilitated over **456,724** volunteer hours, 93% of that time was from individuals with lower incomes. At \$7.25 dollars an hour this volunteer time is worth **\$3,311,246.10!!** With 926 community partners statewide, we are all invested in the success of Utah's communities!

We Strengthen Families

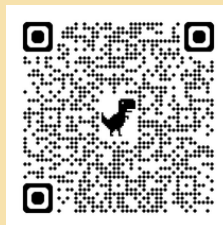

Who received support in 2024?

- **41,067** Seniors
- **15,979** Children 0-18
- **1,113** Veterans
- **11,409** Households with earned income
- **4,224** Homeless Households

These are our stories

Leveraging

For every **\$1** of CSBG invested, **\$33.08** of other federal, state, local, and private dollars were used as leverage for local communities. **\$8.18** of that coming from private dollars Solving poverty at a local level not only makes sense - It makes cents!

**Local people.
Local decisions.
Local communities.**
